Nothing as handsome and elegant as our Racks can be found anywhere in the city. The hall is the first room you see in a house, and first sights and first impressions ought to be pleasing and inviting. One of our superb Hall Racks is a feast to the eye, an ornament to any house, as well as in the highest degree convenient and useful. A hall without a Rack is almost as badly off as a house without a hall. There's plenty of room for choice here, as we show fifty different styles at from \$9.50 to \$50.00 each. COURT RECORD.

Yesterday's happenings in the several local courts.

In the probate court yesterday F. A. Catlin's report on the insolvent estate of George H. Burgess, the barytes manufacturer, who last January was adjudged insolvent, was accepted and a dividend of 50 cents on the dollar declared. The claims against the estate amounted to \$23,000 and the amount collected by the trustee with which to pay them amounted to \$11,033.28.

Edward Davis of North Haven was yesterday appointed administrator on the estate of the late Rebecca A. Markham, and bonds to the amount of \$2,000 were furnished by W. J. Atwater. No will has been discovered, but strenuous efforts will now be made to locate one. The estate is worth about \$1,500, so far as is known, and it is thought Mrs. Markham had property in various forms elsewhere.

Goodhart and served by Deputy Sheriff Koon.

A PROPERTY CASE.

TO BE AMERICA'S MONTE CARLO.

Arrangements said to be under way to make Niagara Falls the New Saratoga. Buffalo, Sept. 13.—Niagara Falls, it is believed here, is going to be the convention city of the future and the Monte Carlo of America. Already plans are far advanced looking to the establishment there of one of the most gigantic permanent convention halls ever conceived on this side of the Atlantic, and the erection of a club house which will be the wonder of the world.

The plan is to adopt all the attractions which at one time made Saratoga famous the world over and to carry them out to their utmost perfection.

The club house is to cost, when furnished, half a million of dollars, and the Dicks and Mitchell, late of Saratoga, are said to be interested in it. The convention hall will have a seating capacity of fifteen thousand and will be fireproof.
